ROBUSTA

RETRACTABLE WINDOW AWNINGS

The **Robusta** Window Awning's heavy-duty construction is ideally suited to both large and small applications and can be operated by either an exterior manual crank or motor. **Robusta** Window Awning options can include an aluminum hood for extra fabric protection when retracted.

Robusta retractable window awnings by Accent Awnings® provide ultimate versatility, allowing you to control exactly how much sun enters the room. Easily exercise efficient heat control of your home by blocking the sun's rays before they penetrate the glass. With **Robusta** window, you no longer have to tolerate those annoying "hotspots." Convenient manual, motorized or fully automated operation provides instant shade on demand!

It's time you took control...

AccentAwnings.com

Now it's easy to control the sun with the **Robusta** retractable window awning. Operated manually or by interior switch, the **Robusta** delivers the perfect amount of shade or light. The Somfy® motor's design meets or exceeds UL and CSA standards. This ensures years of quiet, trouble-free operation. All Somfy® motors & electronics are backed by a 5-year limited warranty and require no maintenance or lubrication. Be sure to ask your Sales Consultant about the wide array of options available such as fully automated sensors, timers & remote control systems.
